SMITH HAT NOW
REALLY IN RING

New York Democrats Take
Formal Action

State Delegates Asked for
Loyal Support

Mrs. F. D. Roosevelt Second
Governor's Boom

NEW YORK, April 17. (AP)—The Democratic State Committee today formally launched Gov. Smith's candidacy for President by adopting a resolution calling upon the State delegates to present his name to the national convention and loyalty to support him.

The resolution was offered by George R. Lunn of Schenectady, former Lieutenant Governor, at the close of an address in which he reviewed the career of Gov. Smith as a man whose nomination will inspire the loyalty so essential to national progress.

After referring to the Governor's "unsurpassed record as an executive, his unimpeachable integrity and his broad-minded adherence to progressive principles," the resolution said:

OTHER STATES IN LINE

"Whereas, many of our sister States, recognizing his fitness for the Presidency of the United States and his ability to obtain the confidence and the votes of the people, have summoned him to assume the leadership of the party in the nation."

"Now, be it resolved, that this committee expresses the will of the Democracy of the State that the delegates and alternates to the Democratic National Convention from the State of New York respond to this call and present to the convention and loyalty support as a candidate for the office of President of the United States, the name of Alfred E. Smith."

Mrs. Franklin D. Roosevelt made the concluding speech.

The formal launching of the Smith candidacy followed the return of Governor W. O. Egan, leader of Tammany Hall, and Surrogate James J. Foley, from a visit with the Governor at Asheville, N. C., where he disclosed yesterday he will not be at Houston when his name is submitted for nomination.

WHEELS TO START AT ONCE

Campaign machinery will be set to work immediately with operating headquarters in New York.

The nomination of Gov. Smith, said Mr. Lunn, "will give the old enthusiasm and 'bring forth courage' to the American people."

He said "no other desire than the welfare of this great republic animates our hearts" in the support of a candidate who will become the natural leader of all the progressive people of the nation.

Mrs. Roosevelt said Gov. Smith fits the demand of women of the State for honesty and fearlessness.

"The country needs a leader," she said, "and we offer with entire confidence and affection, Gov. Smith."

Birger's last hope of escaping the gallows vanished today when Judge Charles Miller, presiding at a special sanity hearing in the Franklin County Circuit Court, read the verdict of the jury which found him "not an insane person."

HINDU MILL HANDS
PREPARE TO STRIKE

BOMBAY (British India) April 17. (AP)—Recent unrest among Bombay mill workers appears moving toward a general strike as a demonstration of the workers' opposition to the double-shift system of hours. A large procession of strikers paraded today and called out workers from ten mills, bringing the total of strikers to 32,000 from nineteen mills. Except for occasional stone throwing, the mill area is quiet, but is strongly guarded by police.

California to Get Aid

WASHINGTON, April 17. (AP)—Funds totaling \$55,886,310 were set aside today by Maj.-Gen. Jadwin, chief of Army engineers for rivers and harbors improvements, during the year beginning July 1.

More than \$7,000,000 was allotted to the Mississippi River of which \$4,330,000 will be expended between St. Louis and Minneapolis.

Another large project for which funds were awarded was that on the Delaware River from Philadelphia to the sea, the War Department setting aside \$2,150,000 for this.

More than \$2,600,000 was approved for the Missouri River, \$2,000,000 to be spent from Kansas City to the mouth at St. Louis.

The allotments are made from a lump sum appropriation previously provided by Congress for that purpose.

Other projects for which money was set aside include:

Oakland Harbor, California, \$60,000; Richmond Harbor, \$125,000; San Pablo Bay and Mare Island Strait, \$100,000; Suisun Bay Channel, \$70,000.

Crescent City Harbor, \$250,000; Moyo River, \$400; Redwood Creek, \$500; San Rafael Creek, \$45,000; Napa River, \$400; San Joaquin River, \$335,000; Stokton and Sacramento channels, \$4000.

Mokelumne River, \$1000; Sacramento River, \$200,000; Coos Bay, \$200,000; Coos River, \$200; Umpqua River, \$375,000; Yaquina Bay and Harbor, \$5000; Tillamook Bay and Har, \$7000; Columbia and lower Williamson rivers, below Vancouver and Portland, \$350,000; Clatskanie River, \$2500; Willamette River, above Portland and Yamhill River, \$3500; Lewis River, \$400; and Cowitts River, \$1000.

Hurt by Autos

SACRAMENTO, April 17. (Exclusive)—Motor vehicle accidents involving school children have shown a sharp decline since the inauguration of the Junior Traffic Reserve, according to a statement issued today by Frank O. Snook, Chief of the State Division of Motor Vehicles.

While figures have not yet been compiled for the first three months of 1928, Snook said preliminary surveys indicate that the number of school children killed or injured by automobiles has been reduced one-third.

The Junior Traffic Reserve Corps have been organized in rural sections of about half the counties and the experiment has been so successful that Snook is planning on establishing the system in every county.

COLORADO VOTE
HOOVER VICTORY

Eleven Delegates Counted
for Secretary

Decision Not to Instruct
Credited to Phipps

Californian's Friends Name
Committeemen

DENVER, April 17. (Exclusive)—Despite the fact Colorado Republican convention in Colorado Springs yesterday failed to instruct national convention delegates to support Hoover, a victory for the Secretary of Commerce.

Clarence C. Hamlin, a noted Hoover supporter, was re-elected national committeeman and Mrs. John E. Hillman, running under the Hoover banner, was named national committeewoman.

Eleven of the State's fifteen delegates to the national convention are in the Hoover column, three doubtful and one is a Lowden man.

Failure to instruct is taken to indicate the power of United States Senator Phipps, who was named one of seven delegates at large.

LEANTO TO HOOVER

Phipps, long a political opponent to have agreed not to attempt to block the latter's attempt for re-election only after the Senator had been "called off" from Washington. In a telegram sent the convention, Phipps said he had no objection to the convention expressing its choice but urged that no instruction be given.

Repealed efforts to induce Phipps to declare for Hoover or Hamlin have failed. Several months ago he was reported to be leaning toward the candidacy of Hoover, but recent developments indicate he might have changed his attitude.

TEST OF STRENGTH

Frank W. Howbert, Collector of Revenue in Denver, is a Hoover adherent. In backing Hamlin, Howbert crossed swords with Phipps and brought himself and his policies under the direct fire of the Senator.

This is given as another reason for the fight against instructing the Colorado delegation for Hoover today. Howbert also was named as a delegate-at-large.

Fred O. Roof, former chairman of the Colorado Republican Central Committee was Hamlin's opponent for national committeeman. Roof had the support of Lowden adherents.

Roof's defeat by a vote of 84 to 328 shows the Hoover strength. This strength, however, was not sufficient to offset the wishes of Senator Phipps in the matter of instructing the delegation.

This is the second case recently where a girl traveling in a provincial tram car has gone beyond what is regarded as the limits of propriety and on the demand of her fellow-passengers has had to quit the car.

by the Republican convention in Colorado yesterday, fourteen are favorable to Hoover.

"In line with the traditional policy of the Republicans of that State, the convention declined to bind the delegates with instructions."

The friends of Secretary Hoover were in a majority in the convention and elected a national committeeman and committeewoman over the opposing candidates.

BERLIN, April 17. (AP)—Prince Otto von Bismarck, grandson of the Iron Chancellor, and Miss Ann Marie Tengborn, daughter of Prof. Ivan Tengborn, a noted Swedish architect, were married today at the Berlin Registrar's office. A religious ceremony will be conducted tomorrow.

The ceremony today took only twenty minutes. The bride's father and bridegroom's brother, Count von Bismarck, acted as witnesses. There were no language difficulties, as the bride speaks German fluently.

At the same registry office the Iron Chancellor's daughter was married to Count Rantass in 1918.

Star Explorers

PARIS, April 17. (Exclusive)—The discovery of a new comet is announced by the Observatory of Paris after patient observations lasting over a month, when existence of the new heavenly body was first suspected.

M. Giacobini, French observer, famous in the annals of comet study, who has more than twenty comet discoveries to his credit, believed he had located a new comet on March 17, but as conditions of observation remained wholly unfavorable on subsequent days, he was unable to check immediately whether the body he had seen was a comet or a nebula.

Later investigations, undertaken by the aid of photography, succeeded in locating the body and confirming it to be a comet. A photograph was taken with a twenty-minute exposure, with a telescope moving at the same time as the stars, "the comet's displacement in the sky corresponding to its own special movement during the time of the film exposure."

This photographic method, astronomers say, has been responsible for many discoveries which might have been overlooked by a visual observer.

The fight between a Charles Borah and a Vince Dundee last night at the Olympic stadium was one of the most exciting of the season.

Fields, never indeed better in his life. The margin of victory was so large that Dundee failed to win a round until the truth.

Have Dundee three cautions, since a D. & E. every time else overboard and in his fields with all sails flying. Fields took several on the night of this battle.

But he was so far ahead that he seemed himself with "catching" Dundee's fists and letting his hands do all the work.

His victory was a victory. No. 1 in the local boy, who has been in the ring for some time, was a victory.

However, their first fight was fairly close while the night of this battle was an open one. Dundee was an open one.

Paddock Quits Using Famous Leap for Tape

PHILADELPHIA, April 17. (AP)—Charles Paddock, former Olympic champion and holder of several world sprint records, has abandoned his famous "jump" finish.

The veteran runner admitted this at Franklin Field where he took a brief work-out after announcing to Lawton Robertson, Pennsylvania track-and-field coach, that he would compete in a special 175-yard race in the Penn relays, May 28.

"The picture men still ask me to leap, but I no longer do it in a race," Paddock said. "I cut that out some time ago."

GENERAL TILDEN AND THE DAVIS CUP PLAYERS--IN LOS ANGELES

This is the quartet which knocked over Mexico in the opening skirmish of the Davis Cup challenge rounds at Mexico City recently, and will strut their stuff at the L. A. Tennis Club this week-end. The boys lined up yesterday at the L. A. Tennis Club, where they worked the train kinks out of their systems, and they are from left to right: John Hennessey of Indianapolis, a sleepy-looking individual who plays tennis altogether differently; Wilmer Allison, the University of Texas boy; General Bill Tilden, whom everybody knows, and Arnold Jones, the ex-Yale star.

United States Tennis Squad Arrives for Tilt With All-State Players This Week-end

Under Sam's Davis Cup representatives arrived in Los Angeles yesterday via the Southern Pacific route from El Paso, Tex., and immediately set out for the Los Angeles Tennis Club for a short workout in preparation for the coming meet with the All-State team Saturday and Sunday afternoons.

Capt. William Tilden of Philadelphia; Johnny Hennessey, Indianapolis; Arnold Jones, Rhode Island, and Wilmer Allison, Texas, were the quartet of the American forces to make their appearance here yesterday.

While the United States stars worked out diligently on the club courts, Capt. A. C. B. Gray, manager of the Hollywood organization, and his assistants, in charge of the All-State vs. the Davis Cup dual meet, announced several minor changes in the pairing of the players, and a definite time of play for each tilt.

A summary of the schedule for the week and matches according to announcement yesterday by officials follows:

SATURDAY
1 o'clock—San Geronimo vs. Arnold Jones (Davis Cup)
2 o'clock—Tilden and Mrs. Bundy vs. Lord and Mrs. Jacobs
3 o'clock—Hennessey (Davis Cup) vs. Perry Bradford
4 o'clock—Tilden and Jones (Davis Cup) vs. George and Mrs. Bradford
5 o'clock—Allison vs. Lord

SUNDAY
1 o'clock—Hennessey (Davis Cup) vs. Lord
2 o'clock—Allison (Davis Cup) vs. George and Mrs. Bradford
3 o'clock—Tilden and Mrs. Bundy vs. Perry Bradford
4 o'clock—Jones and Allison (Davis Cup) vs. George and Mrs. Bradford

PAYNE LEADS PYLE STARS THROUGH HIS HOME TOWN

CHELSEA (Okla.) April 17. (AP)—Andrew Payne, Oklahoma's favorite son, led the parade of cross-country runners through his home town of Claremore this afternoon and was first to reach the forty-fifth control here, said to be the exact half-way mark.

Payne traversed the 49.7 miles from Tulsa through his home county and between lanes of his hometown folks in 7h. 23m. 28s.

His elapsed time for the 1009.5 miles is 27h. 10m. 58s.

Payne was pressed into his hand by a Chamber of Commerce representative. Payne also will receive \$250 from the city's more illustrious son, John Rogers, who has announced prize money of \$500 for the first four runners to reach Claremore.

Rogers declared he wanted Payne to take the first prize of \$250 for his victory.

RABBIT PUNCHES

CHARLEY BORAH'S failure to display top form early this season seems to have stirred up the writers in the East as well as out here on the Coast. In fact some of the boys even went so far as to get Charley Paddock in the hole with a statement that Borah "ran too much and too hard in his prep days at Andover and that he's feeling the effects now for the first time."

This brought a sharp reply from Larry Shields, who was Borah's coach in his prep days at Andover. As quoted in a story by George C. Carens in the Boston Transcript, which was mailed here by Braven Dyer's professor brother at Dartmouth, Shields had this to say:

"Borah had less hard training at Andover than any good athlete we have had there in recent years. I'm sure his running in his school days was not detrimental."

Carens then makes his own observations on the matter, following Borah's 8-4-6 and 21.3-5s. in the Stanford meet. "Borah's double victory for the University of Southern California," he writes, "will be pleasing to track followers the country over because 'Flash,' as he was called in his Andover days, is a type of athlete who will represent America's highest ideals in the Olympic Games. It sometimes takes long and earnest preparation for a sprinter to reach his best form and the fact that Borah has been beaten this spring by 10.1-5s. sprinters caused all sorts of stories to circulate."

"A popular explanation was 'stomach trouble.' Another was that long hours of standing on a cement floor provided a big handicap. Now it would appear that Borah has disproved these theories, that he isn't 'burned out,' that his interest in sprinting is keen, and that he will be quite all right by the time the intercollegiate are held in the Harvard stadium, May 25 and 26."

Just by way of calling attention to the fact that a former U.S.C. track star is already in pretty fair shape for the Olympics, Red House tossed the shot over forty-eight feet and bettered the 150-foot mark with the discus during the Greenway games at Phoenix the other day. The same day

AL SCHAUB BEING USED AT HALF ON S. C. TEAM

BY BRAVEN DYER
Alvin Schaub blossomed out as a halfback on the University of Southern California football team last night. The Santa Monica boy is a senior and played guard last year and the season before that. He wasn't used much last fall, but made his letter in 1926 when he beat Bruce Taylor out of his berth during most of the season.

Schaub was a backfield man during his prep days at Santa Monica High and Coach Howard Jones is rather back-

ly in need of reserve backfield material, so Al's shift from the line is not so much of a surprise as it sounds right off the bat. Schaub is big, tall and fast. He appeared at outside halfback last night. This post is the property of Lloyd Thomas, but Lloyd was not out for practice yesterday, so Schaub got his chance. Al has plenty of beef, weighing 190 pounds, and ought to make a rip-roaring interference runner.

Bert Elchle, the San Diego colored boy, is giving Jim Snyder and Cliff Thiede a terrible battle for the fullback job. Elchle was a great star during his prep days, but did not play football as a freshman at Southern California last fall, the track coaches keeping him off the gridiron. He is very fast

Tex Abandons Plan to Hold London Scrap

NEW YORK, April 17. (AP)—Tex Rickard returned from Miami, Fla., today and named New York as the site for the heavyweight title bout, between Gene Tunney and Tom Hensley this summer.

Although no definite date was set, the bout probably will take place in the Yankee Stadium, Thursday night, July 26.

The promoter gave up all idea of taking the bout to England, Hensley's home land, because of excessive taxation abroad. Rickard believes the match will draw \$1,500,000 in New York. Rickard closed the foreign project "as too much of a gamble."

Tunney will fight but once this year, the promoter said, and if he retains his championship will battle but once for Rickard in 1929.

SOLONS WIN ON ANGEL MISCUES

Senators Are Donated Tri of Run by Krugman

Singleton and Cunningham Both Fail to Finish

Hood Shines for Home Club at Bat and on First

BY BOB RAY
Kind providence and an overly generous spirit on the part of our Angels gave Buddy Ryan's maling Solons a 7-0 win.

Sacramento won a 6-4 victory in the series opener at Wright Field yesterday. The Solons are credited with winning the ball game, but it is a 7 didn't—it was a 7 given to them.

It is a 7 donated 1-0 Solons no less than three runs and a bit of luck provided them with another in the first inning when Art Koshier threw his bat at a ball and came up with a lucky single that scored Corcoran.

Anyhow, those four runs with the two that the Solons earned proved to be exactly two more than the Angels could score, although the home guards weren't without their chances to make plenty of mistakes.

As that it was an exciting struggle to watch, for the Solons kept threatening until the last out, on which Clarence Hoffman backed up against the center-field wall to catch Wally Hood's long drive. Had Wally been able to pull that shot it would have gone over the left-field fence and tied the score, for Wes Schuchman was replacing on first at the time.

HOOD HAS GOOD DAY
Speaking of Hood, Wally had quite an afternoon, both at the plate and at first base. Wally rapped one

TROJANS IN CLASS MEET SATURDAY

Dean Cromwell's Track Athletes to Take Part in Competition

The annual open interclass track meet for U.S.C. under athletes will be staged in the Coliseum Saturday afternoon immediately following the Southern California prep try-outs.

Every man in the university is eligible to compete, which means that varsity, frosh, ineligible and novice athletes will hook up in a number of interesting events.

Among the events which promise to be of particular interest will be the clash between Charley Borah, Weldon Draper, Dick Weber and Nels Becker. The

STANFORD NINE BEATS BRUINS

STANFORD UNIVERSITY, April 17. (AP)—Taking advantage of the ragged play of the visitors, Stanford trounced the University of California at Los Angeles nine to two, 8-4, in the last game of the series. The victory gave Stanford two of the three games. Bob Phillips pitched good ball for the winners and except for a bad third

inning, had things his own way. In the third, U.C.L.A. moved three runs, a walk and a two-base hit to tie the score. Stanford netted one tally and Woodruff hit a homer to count two more. Five errors by the visiting team sided the Cardinals. The score:

U.C.L.A. 4
Stanford 9
Batteries—Graham, O'Rourke and Berinbach; Phillips and Sykes.

NEWS OF SOUTHERN COUNTIES

MANY OFFICIALS OUSTED AS NEW COUNCILS MEET

Political Upheavals Produced in
Sixth-Class Cities as Result
of Recent Vote

HUNTINGTON PARK, April 17.—The political air swung heavily here last night when Otto R. Benedict and Elmer E. Cox, Citizens' League candidates, were sworn in as City Councilmen and the new board reorganized with Jerome V. Scofield as Mayor. Practically every department felt the new Council's displeasure.

City Attorney Archibald McLean had to add to the city water system which has begun to be taxed by El Monte's increasing population.

CLAREMONT, April 17.—George A. Sumner, controller of Claremont College and of Pomona College, was elected Mayor of the city of Claremont at a meeting of the City Council last night.

Sumner is the son of one of the founders of Pomona College and has only recently been associated with the municipal affairs of the city which has grown up around the college.

Surprise in choice of Mayor was expressed by the city fathers. The placing of Sumner in the Mayor's chair was a surprise, as his vote at the election was topped by that of William W. Riddell, who is a member of the previous board who stood for re-election, and consequently held seniority. Riddell was placed in nomination and the vote stood two for Riddell and three for Sumner.

LAQUINA BEACH, April 17.—Frank R. Champion became Mayor of this city last night when the newly elected Council was organized.

The placing of Champion in the Mayor's chair was a surprise, as his vote at the election was topped by that of William W. Riddell, who is a member of the previous board who stood for re-election, and consequently held seniority. Riddell was placed in nomination and the vote stood two for Riddell and three for Champion.

ANNIM TO HEAD
FULLERTON COUNCIL

FULLERTON, April 17.—Bert Annim was formally elected chairman of the newly elected City Council at the first official meeting of the new board last night. Annim was formally selected for this office last week following the election.

At a banquet at McFarland's Cafe, talks were given by retiring and new members of the Council, the outgoing members pledging their support to the new members. Mayor Annim is a hold-over member of the old board.

ORANGE BOARD PICKS
MILLER FOR MAYOR

ORANGE, April 17.—Rosa Miller, hold-over member of the City Council, was chosen as Mayor of the city of Orange at the first meeting of the newly elected Council.

Miller was elected on a second ballot after the first ballot cast resulted in a tie between Miller and one blank. The second ballot gave Miller three votes and Shoemaker, two.

The resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

DOLLEY CHOSEN BY
SEAL BEACH COUNCIL

SEAL BEACH, April 17.—The two new members of the City Council, Elmer J. Hughes and H. W. Snider, assumed their duties last night following the resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

Mrs. Otis B. Padrick, re-elected as City Clerk, followed by the resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

CARPINTERIA SEWER
DISTRICT APPROVED

SANTA BARBARA, April 17.—By a vote of sixty-nine to twenty, residents of Carpinteria, sixteen miles south of here, voted yesterday to create a sanitary district in the territory for the purpose of installing an adequate sewer system.

Frank Nebel was elected assessor, and the following were chosen as directors: Charles Curtis, Sidney Baker, J. Desirick, J. E. Jones and Dr. E. E. Brown.

CLUB TO GET CHARTER

SOUTH GATE, April 17.—The new Exchange Club, organized here recently, will receive its charter on Thursday night, when it is expected there will be about 200 Exchange Club members present from Lynwood, Huntington Park and other cities.

AT HUNTINGTON BEACH

HUNTINGTON BEACH, April 17.—After choosing B. R. Bowen, newly elected Councilman, as Mayor, the new City Council, when installed in office last night, took no action toward changing the personnel of the city administration.

It is expected that a new City Attorney will be named to succeed A. J. Thiedick, and that Jack Tinsley, former Chief of Police, will be reinstated somewhere in the official organization, but probably not in the police department, as Roy Chast is said to be making too good a record as Chief to be disturbed.

BAKER IS MAYOR
OF EL MONTE

EL MONTE, April 17.—Charles A. Baker, owner and manager of the El Monte Ice Company, was unanimously elected Mayor at the first meeting of the newly reorganized body last night. The three new Councilmen—C. A. Baker, E. W. Selbach and Elmer E. Cox—were sworn in and with the two hold-over members, J. C. Thurman and C. T. Myers, will constitute the El Monte governing body. The first official act of the Council was to order bids advertised for another well

All Other Rhythmic Officials
Desert City When Called
To Witness Stand

EL MONTE, April 17.—Rhythmic officials for three days with exception of the Councilmen, Chief of Police Ben White, Deputy Mungler, City Clerk Marie Greenhaw, City Recorder Beady and City Attorney Desamp all have been called as State witnesses in the case of the El Monte Ice Company, which begins today at the county seat, Riverside, 180 miles from here.

Leonard is charged with attacking Mrs. H. Fleming with an axe. His attorney contended that a confession was extorted from him and the first jury disagreed on this point.

CLAREMONT, April 17.—George A. Sumner, controller of Claremont College and of Pomona College, was elected Mayor of the city of Claremont at a meeting of the City Council last night.

Sumner is the son of one of the founders of Pomona College and has only recently been associated with the municipal affairs of the city which has grown up around the college.

WRESTLER CALLS QUILTS

"Bull" Montana Asks Glendale Court to Dismiss
Charges Against Wife Who Wielded Slipper

GLENDAL, April 17.—After a three-day period of reflection, Louis (Bull) Montana, wrestler and film actor, today appeared before Deputy City Attorney A. M. Irwin and asked that the charge of battery which he filed Sunday morning against his wife, Jacqueline Montana, be quashed. He also asked that the charge of violation of the Wright Act be disposed of in the same way.

Pressed for his reasons, "Bull" finally admitted that he did not care to air his domestic troubles in Judge F. H. Lowe's police court, where Mrs. Montana is scheduled to appear Thursday. Irwin advised the wrestler-actor that the case would have to be taken to the county court, but that an appeal for a dismissal might have some weight with the court.

Mrs. Montana, whose stage name is Jackie La Verne, was arrested Sunday morning when "Bull" put in a frantic call for police, telling them that his wife, whose status he defined as that of housekeeper, had assaulted him with a slipper, and after her arrest he charged her with battery.

Mrs. Montana contradicted "Bull's" definition of the domestic relations, declaring that they were married four years ago in Hollywood, after she had come to the Coast from Georgia, where she had been a dancer. Montana helped to raise \$100 bail asked after the woman had been arrested, but he intimates that the romance between them is at an end and that the Montana bungalow at 1001 Bonnie Drive Drive will know the temperamental dancer no more, police report.

Second Tragedy to Invade
Home in Few Years

LONG BEACH, April 17.—Everett Butcher, 16-year-old high school boy, whose neck was broken yesterday at the high school gymnasium during a wrestling match, has a fighting chance for life, physicians at Community Hospital said today.

The accident has, for the second time in four years, brought grief to the boy's mother, Mrs. Josephine Butcher, 1009 California avenue, whose 14-year-old daughter, Josephine, was killed by a fire that broke out at the Hope Development School at Playa Del Rey, near Venice on June 1, 1934.

Young Butcher's neck was broken near the third vertebrae during a wrestling match with Robert Morrison, a fellow student. The match was held in the gymnasium of the high school, which was crowded with spectators.

First aid by Coach Walter Bull and others failed and the boy was rushed to the hospital where it was said his spinal cord had been severely injured.

Whether or not wrestling will be dropped from the school's athletic program as a result of the accident will be a matter to be discussed by the board of education at its next meeting, high school officials said today.

The Pasadena Chamber of Commerce and Civic Association was organized in 1914 and has since that time been one of the leading organizations in the city.

CLAREMONT, April 17.—George A. Sumner, controller of Claremont College and of Pomona College, was elected Mayor of the city of Claremont at a meeting of the City Council last night.

Sumner is the son of one of the founders of Pomona College and has only recently been associated with the municipal affairs of the city which has grown up around the college.

Surprise in choice of Mayor was expressed by the city fathers. The placing of Sumner in the Mayor's chair was a surprise, as his vote at the election was topped by that of William W. Riddell, who is a member of the previous board who stood for re-election, and consequently held seniority. Riddell was placed in nomination and the vote stood two for Riddell and three for Sumner.

LAQUINA BEACH, April 17.—Frank R. Champion became Mayor of this city last night when the newly elected Council was organized.

The placing of Champion in the Mayor's chair was a surprise, as his vote at the election was topped by that of William W. Riddell, who is a member of the previous board who stood for re-election, and consequently held seniority. Riddell was placed in nomination and the vote stood two for Riddell and three for Champion.

ANNIM TO HEAD
FULLERTON COUNCIL

FULLERTON, April 17.—Bert Annim was formally elected chairman of the newly elected City Council at the first official meeting of the new board last night. Annim was formally selected for this office last week following the election.

At a banquet at McFarland's Cafe, talks were given by retiring and new members of the Council, the outgoing members pledging their support to the new members. Mayor Annim is a hold-over member of the old board.

ORANGE BOARD PICKS
MILLER FOR MAYOR

ORANGE, April 17.—Rosa Miller, hold-over member of the City Council, was chosen as Mayor of the city of Orange at the first meeting of the newly elected Council.

Miller was elected on a second ballot after the first ballot cast resulted in a tie between Miller and one blank. The second ballot gave Miller three votes and Shoemaker, two.

The resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

DOLLEY CHOSEN BY
SEAL BEACH COUNCIL

SEAL BEACH, April 17.—The two new members of the City Council, Elmer J. Hughes and H. W. Snider, assumed their duties last night following the resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

Mrs. Otis B. Padrick, re-elected as City Clerk, followed by the resignation of Mrs. Verna Campbell, deputy City Clerk, was accepted.

CARPINTERIA SEWER
DISTRICT APPROVED

SANTA BARBARA, April 17.—By a vote of sixty-nine to twenty, residents of Carpinteria, sixteen miles south of here, voted yesterday to create a sanitary district in the territory for the purpose of installing an adequate sewer system.

Frank Nebel was elected assessor, and the following were chosen as directors: Charles Curtis, Sidney Baker, J. Desirick, J. E. Jones and Dr. E. E. Brown.

CLUB TO GET CHARTER

SOUTH GATE, April 17.—The new Exchange Club, organized here recently, will receive its charter on Thursday night, when it is expected there will be about 200 Exchange Club members present from Lynwood, Huntington Park and other cities.

AT HUNTINGTON BEACH

HUNTINGTON BEACH, April 17.—After choosing B. R. Bowen, newly elected Councilman, as Mayor, the new City Council, when installed in office last night, took no action toward changing the personnel of the city administration.

It is expected that a new City Attorney will be named to succeed A. J. Thiedick, and that Jack Tinsley, former Chief of Police, will be reinstated somewhere in the official organization, but probably not in the police department, as Roy Chast is said to be making too good a record as Chief to be disturbed.

City Manager's Office

PASADENA, April 17.—(AP)—A petition presented to the Board of City Directors last evening to erect a unit of a \$1,000,000 hotel in the City of Pasadena, in the Council chamber, the petition was referred to the City Manager.

The protest was presented by Margaret Perry, 214 E. Main street, who asserted that a hotel would be detrimental to property values and that the granting of a license would be a detriment to the city.

Kenneth Fraser, local business man, appeared on behalf of the hotel project and declared that the hotel would be a benefit to the city and that the granting of a license would be a benefit to the city.

It was proposed, however, that the hotel be built on a site which would increase values and that the granting of a license would be a benefit to the city.

The Board of City Directors will meet tomorrow to consider the petition and to decide whether or not to grant a license to the hotel project.

London Embassy Now Sorting
Out Lucky Women

LONDON, April 17. (AP)—Every year about this time the staff of the London Embassy works overtime sorting out the thousands of applications for presentation to the court of King George. This year there are to be five courts instead of four, so the pressure is increased.

The first, all other things being equal, is likely to have the first chance.

The second factor is geography. It always has been the practice of American ambassadors to distribute their favors geographically.

So many to the East, so many to the South, so many to the Middle West, so many to the Pacific Coast, and so on. But the most important factor is some backing.

BACKING CHIEF FACTOR
A woman who has the endorsement of an influential Senator or Representative, or even a higher official, has the best chance.

Perhaps also, personal friendship with the Ambassador may be a factor, but only in a few cases.

The task thrown on the Ambassador's staff is heavy, for the Ambassador must be responsible for the women he presents. This means there must be some inquiry, and the woman must be vouched for, not only politically, but personally.

Spanish Dictator
May Be Benedict

MADRID, April 17. (AP)—Several papers today printed a rumor that Francisco Franco de Rivera is intending to marry.

The rumor has been circulated for several days in aristocratic circles, but there has been no official confirmation of it.

THE PRESIDENT, who was in the pink of health, was much interested in the objects of the conference.

Among those of international prominence attending are Hermann Sudermann, German dramatist; Franz Lehár, Hungarian composer; Arnold Schoenberg, Austrian composer; Eugene O'Neill, American dramatist; and Paul Hindemith, German composer.

Board Blames High Officer
for Royal Oak Clash

LONDON, April 17. (AP)—Rear-Admiral Bernard St. G. Collard, central figure in the famous Royal Oak affair, which involved the court-martialing of Capt. Kenneth G. B. Dewar and Commander H. M. Daniel, has been relieved of his command and placed on the retired list.

Announcement of this was made when the House of Commons convened today after the Easter recess by W. G. Bridgeman, First Lord of the Admiralty, in a long-awaited address on the Royal Oak controversy.

Bridgeman said the Board of Admiralty is of the opinion that the initial blame for what happened aboard the Royal Oak lay with Admiral Collard in dealing with trivial causes of dissatisfaction in a manner unbecoming his position and showing himself unfit for his command.

Therefore, it was decided, in spite of his good services in the past, to retire him.

The First Lord of the Admiralty also stated that the board has confirmed the sentences against Capt. Dewar and Commander Daniel, who were severely reprimanded and dismissed from their ships for their part in the controversy with the rear-Admiral, which came to a head during a dance at Malta aboard the Royal Oak.

Having by such confirmation sufficiently marked his disapproval of the action of these officers in the matter, the board has decided that the sentences should not provide them from further employment in due course should suitable vacancies arise.

CAMPERS WARNED
OF WATER DANGERS

SACRAMENTO, April 17. (AP)—Warning against the danger of drinking untreated water while on camping trips, Dr. Walter M. Dickie, Director of the State Department of Public Health, with the rapid approach of the travel season urges exposure of all due care to avoid possibility of contracting typhoid fever while on summer outings.

"How to camp and keep well is in reality a simple matter if the rules are known and followed," Dr. Dickie said, "but a simple violation may result in disaster."

The health director also exploded the common belief that running water purifies itself quickly by declaring recent tests have shown infections may be carried for some distance by running streams. While exposure to air, distance and rapid motion helps to keep the water supply safer, there is no insurance that water from any stream is safe for drinking, he said.

EARNINGS OF TRACTOR AT HIGH LEVEL

Quarterly Statement of
Company Out; Declares
Dividend of 55 Cents

SAN FRANCISCO, April 17. (Ex-
clusive)—With the release of an
excellent sales and earnings state-
ment for the first quarter of 1932
Caterpillar Tractor directors today
announced that a dividend of 55
cents per share will be payable May
15 to stockholders of record May
15 on its outstanding capital stock.
Stated as the company paid 25
cents and a 30-cent extra in Feb-
ruary, the above announcement in-
dicates that the stock will be placed
upon a 1932-33-34 quarterly basis.
The company's earnings for the first
quarter were \$1,481,223.18 as against
\$1,434,023.23 a year ago. This
compared with \$1,471,021.75 for
the same period a year ago, or an
increase of more than 16 per cent.
Based on estimated inventory and
before Federal taxes, combined net
earnings from operations during the
first quarter were \$1,481,223.18 as
against \$1,434,023.23 a year ago. This
compared with \$1,471,021.75 for
the same period a year ago, or an
increase of more than 16 per cent.

Stock Transfer Agency Named

SAN FRANCISCO, April 17. (Ex-
clusive)—Announcement was made
today that certificates for Federal
Bonds "A" shares are being ex-
changed now for certificates of Fed-
eral Radio Corporation. For the con-
venience of California stockholders,
the United Security Bank and Trust
Company is receiving the Federal
Bonds certificates, which must be
properly indorsed, and forwarding
same to the official transfer agent,
the Federal Loan and Trust Com-
pany, 23 William street, New York
City.

BANK GROUP TO HOLD LAST FORUM DINNER

Los Angeles Chapter of the
American Institute of Banking will
hold the last forum dinner of the
season at a joint meeting with the
Foreign Exchange Club this eve-
ning at the Ritz. The speakers
will be R. E. Chapman, manager
of the international department of
the Los Angeles division of the
Bank of Italy; F. H. Chapman, as-
sistant manager of the foreign de-
partment of the Los Angeles-First
National Trust and Savings Bank
and James H. Smiley, manager of
the Los Angeles office of the Bu-
reau of Foreign and Domestic
Commerce.

SCHOOL THRIFT IDEA GROWS

Bank Association Campaign Results in Deposits Gain
of \$220,667 During Year

Marking the development of thrift among school students and
as evidence of their response to the persistent advocacy of the savings prin-
ciple, which is part of the curriculum in the elementary and junior high
schools of the district, school savings accounts in Los Angeles banks have
passed beyond the \$1,000,000 mark in the past few months and are moving
steadily upward.
Students' savings deposits as of
the first of this month, reached the
new record figure of \$1,115,837.98. A.
Walter Morton, president of the
Los Angeles Banks' School Savings
Association, declared yesterday.
When compared with savings on
April 1, 1931, totaling \$928,178.27,
the deposits show a gain for the
year of \$220,667.98, or approxi-
mately 24 per cent.
The number of accounts opened
during the year shows even more
striking results of the thrift teach-
ing and reflects the endeavors and
thrift support given to this subject
by the school staffs. On the first
of the month there were 12,823
bank accounts held by the students,
an increase of 43,823 on March 1, 1931,
a gain for thirteen months of 11,949.

HIGHER OIL PROFITS SEEN

Blair Partner Looks for Improvement This Year if
Operators "Behave Themselves"

George N. Army, partner in the international banking house of
Blair & Co., Inc., yesterday contributed a word of cheer to the stock-
holders of oil companies. In his own mind he is satisfied that the record
for 1932 will show earnings materially better than the previous year, and
yet he is well aware of conditions which may completely change the
situation overnight.

Southern Bell Plans Addition to Phone Chain

SAN FRANCISCO, April 17. (Ex-
clusive)—Acquisition of two South-
ern California telephone companies
and another utility is sought in ap-
plications filed with the State Rail-
road Commission today in behalf
of the Pacific Telephone and Tele-
graph Company, controlling sub-
sidiary of Bell System lines on the
west coast.

Signs Favorable

Today, Mr. Army said, every-
thing points to a better year than
last for a number of specific rea-
sons. The operators, particularly
in California and in a few other
sections, are working together to
bring production under reasonable
control. The California program of
restriction has already produced
worthwhile results, and its contin-
uance should substantially affect the
size of earnings that the annual re-
ports will disclose.

Utility Group Put in Combine

SAN FRANCISCO, April 17. (Ex-
clusive)—Union Utilities, Inc., as
the result of consolidation of a num-
ber of public utility companies serv-
ing communities in the Southwest,
was announced today.
H. G. Scott, former vice-president
of Columbia Gas and Electric Com-
pany, directed the consolidation,
which involves gas manufacturing
and distributing systems in 23 Pa-
cific, California, Texas, and Penn-
sylvania.

COTTON MARKET

NEW YORK, April 17.—The cot-
ton market turned strong from the
opening today and made new high
records in prices for the general com-
modity list since early last December.
After the market had gone off 10
to 12 points from yesterday's clos-
ing in following a decline at Liver-
pool, where there had been consid-
erable liquidation by local and Man-
chester traders on a sharp break
in cotton futures on the Alexandria
market, there was an abrupt up-
turn in price here which was due
to good trade buying.

Telephone Lien Issue on Mart

Good offerings available for Pa-
cific Coast distribution today include
issues of the Illinois Commercial
Telephone Company, a subsidiary of
the Associated Telephone Utilities
Company, and first mortgage bonds
of the Culver City Company, Inc.,
Milwaukee, Wis., and City of
Waukegan, Ill., offering an issue
of \$2,500,000 Illinois Commercial
Telephone Company first mortgage
8 per cent bonds Series A, due 1948,
priced at 100 and interest to yield 5
per cent.
First Securities Company is offer-
ing \$500,000 Culver City Company
Inc. first mortgage 6 per cent
sinking fund gold bonds due Febru-
ary 1, 1938, priced at 101 and in-
terest to yield 6.38 per cent.

NEVADA MINES

State separator on the New Francisco
Stock Exchange shows strong
tendency in the market
of the last few years has
been so marked as the improving
position of stocks as revealed in a
closing of the gap between stock
and bond yields. We need go back
only to 1921 to find a time when
the Standard Statistics Company's
index showed the average yield of
thirty-three industrial stocks around
6.5 per cent as against a yield of 6
per cent for industrial bonds. Per-
sistently the margin between the two
curves has been narrowed until
today, Standard finds that dividend-
paying common stocks yield 4.97 per
cent, as against 4.88 a month ago,
and 4.60 a year ago. High-grade in-
dustrial bonds yield 4.77 per cent,
as against 4.78 a month ago, and 4.84
a year ago.

RUBBER MARKET

NEW YORK, April 17. (Exclusive)—
The rubber market was the center of attraction
today. The opening found
prices half a cent lower than the
close of the previous day. After
some heavy selling it recovered and closed
steady at 10 1/2 cents per unit. The
London market was quiet closed
at 10 1/2 cents per unit. The
Singapore market was reported steady
at 10 1/2 cents per unit.

HOLDING IN RIO GRANDE OIL PASSES

C. S. Jones Announces
Acquisition of Interest
Held by A. H. Frank

Charles S. Jones, vice-president
and treasurer of the Rio Grande
Oil Company, announced yesterday
that he had acquired the entire
stock holdings of Alvin H. Frank in
the Rio Grande company. While
Mr. Jones refused to comment fur-
ther, it is understood that the deal
involved approximately 20,000 shares
of the stock. The price was not
given, nor was any statement made
regarding Mr. Frank's seat on the
board of directors.

Intermountain and California Life in Merger

SALT LAKE CITY, April 17. (Ex-
clusive)—The California State
Life Insurance Company, with head-
quarters in Sacramento, and the
Intermountain Life Insurance Com-
pany to form a firm capitalized at
\$15,000,000 has been completed, it
was announced today.

London Daily Radio

NEW YORK, April 17. (Exclusive)—
In addition to the officers and di-
rectors of the First National Pictures
Inc., all of whom were re-elected
at the annual meeting of directors,
an advisory board has been created
consisting of A. H. Blank of Des
Moines, George Treadwell of Detroit,
L. H. Ruben of Minneapolis and J.
T. Nolan of Denver.

STOCK AND BOND GAP SHORT

Yield of Standard High-Grade Issues Shown to Have
Narrowed to .20 Per Cent

BY PAUL WILLARD GARRETT
(Copyright, 1932, by New York Evening Post, Inc.)
NEW YORK, April 17.—With the record rise in the stock market,
the yield on dividend-paying common industrial stocks has been forced down
to a new low in history at 4.97 per cent, which represents a smaller in-
dicated return than is available from high-grade bonds of the same de-
scription.

HEAVY SELLING RULES TRADING

General Movement of Prices
Again Downward

NEW YORK, April 17. (Ex-
clusive)—Stock prices today under-
went a heavy selling for both ac-
counts. Speculators for the ad-
vance endeavored to maintain high
enthusiasm by bidding up a
selected assortment of oil, public
utilities and specialties to new high
ground, but they were forced to
contend with persistent liquidation
in other sections of the list, which
carried a long line of issues down
1 to 5 points.

NEW YORK CURB STOCKS

NEW YORK, April 11. (AP)—Traders changed horses in midstream today and gave the curb market the hottest trading and probably one of the most irregular sessions in its history. Some 700 different issues were traded in as compared with the previous record of 725 established April 13 while 1,108,000 shares changed hands. Bond sales also were heavy.

The market opened fairly strong but noon brought heavy selling and a reaction as commission houses increased margin requirements, fears of increased Federal Reserve discount rates became general and the big board started to sag. In the afternoon buying support was shifted to a new list of favorites and scores of issues moved upward again, while most of those recently active were permitted to slide.

Motor and accessory shares, utilities and oil showed group strength and more than sixty issues touched new highs during the day.

Bonack led the upswing in industrial, climbing 11 points to just under its top on reports the company plans to increase capitalization. General Baking International, Shoe, Mengel, Neisner Brothers, Piedmont and Northern Railway, Realty Associates of Brooklyn, St. Regis Paper and Trucon Steel were whirled upward 1 to 11 points to new high ground.

Sparks Withington and U. S. L. Battery led motor and accessory shares to new peaks, the advance being joined by Western Motor Wire Wheel, Brockway Motor Truck, preferred, Bendis and Standard Motors, Marmon Motor, Warner Clear, Auburn Auto, and other recent leaders to show losses of 1 to 4 points included Deere & Co., Safety Stores, Bancitaly, Canadian Marconi, New Mont Mines, Warner Brothers Pictures and Columbia Graphophone.

Gains among oils were general but small, with Gulf, Gumble, Darby, Ohio, Standard of Nebraska and a few others reaching new tops. Penn-Mex Fuel, Pandem, Standard of Indiana and Standard of Kansas closed lower.

What is in Your Strong Box?

MANY business men delay the definite safeguarding of their investments until it is too late; to their executors is frequently left the task of saving a jeopardized estate for their heirs. Not so with the investor who makes safety of principal his first consideration.

It should be the aim of every investor in building an estate to see that each separate investment can stand up under the stress of time and adversity. If you hope to leave an estate for your heirs think of them when you are investing.

We offer our services for the analysis of your present investment holdings. Our current list of offerings includes a variety of conservative bonds yielding from 3.70 to 7.48 per cent.

ers as a smoke screen to cover liquidation in other stocks, which have been widely exploited. New high prices for the year or longer were registered by Standard Oil of California, New York and New Jersey, Texas Corporation, Pan-American, Marland, and Richfield of California, but many gains were reduced or wiped out. Public utilities also presented several points of strength. Commonwealth Power ran up 8 points to 144 and was followed into new high ground by American and Foreign Power, Columbia Gas, Electric Power and Light and about a dozen others. Conspicuous, after moving within a narrow range for weeks, climbed nearly 4 points to a new high at 31 1/2.

RADIO UP.
Radio broke 3 1/2 points, recovered all its loss and closed a point higher. General Motors dipped to 104 1/2 and rallied to 109 1/2, off 7 1/2. General Electric, which rallied 7 points Monday, nearly 6 points today. Net declines of 3 or more points were recorded by Allied Chemical, American Encaustic Tiling, Brooklyn Edison, Houston Oil, National Tea, Rouse Insurance, Savage Arms, Victor convertible preferred and Warner Brothers A.

Rails yielded with industrial although losses were not as large. New York Central and Delaware and Hudson dipped nearly 3 points and Atchafalpa, Wabash A, Lehigh Valley, Chicago and Northwestern and several others yielded a point or more. Call money renewed at 5 per cent and held steady at that figure all day. Time money and commercial paper rates were unchanged. Foreign exchanges moved irregularly higher although leading European rates showed little change. Sterling Cables held fairly steady around \$48 3/4.

A break of more than 2 cents a bushel in wheat futures on settling inspired by the reported breaking of the drought in the Southwest, featured the commodity markets. Coffee and sugar showed no change of importance. Coffee futures advanced slightly.

JULIAN RECORDS LOSS EXPLAINED

Books Burned in Incinerator, Says Official

Done as Part of Clean-up, Declares Witness

Verbal Battle Enlivens Trial in Stock Case

Records of the Los Angeles Stock Exchange pertaining to daily sales and trades in Julian Petroleum Corporation stock were destroyed by a fire in the city incinerator a little more than a month following the Julian crash, it was revealed in Superior Judge Doran's court yesterday, where the Julian defendants are on trial.

The testimony came from Norman E. Courtney, secretary of the exchange, who related that he ordered the records burned about a month after he took the position on May 10, 1927. He had previously revealed the records were destroyed and yesterday related the circumstances.

"There was an accumulation of possibly five years of records lying about and being kicked around the exchange and I just had them dumped into a dragwagon and ordered them taken to the city incinerator to be burned," Courtney testified.

On cross-examination by Attorney W. J. Ford, Courtney admitted that he knew "there was grave concern over the liability of these books who had been lying in supposedly overstocked," but denied that this had anything to do with destruction of the records.

The appearance of L. F. Pearson, former exchange secretary, on the stand, resulted in one of the stormiest sessions of the rather dull trial of the most charged with wrecking the Julian company by oversteering and selling spurious stock, and brought on a verbal battle between Judge Doran and defense attorneys over the court's reference to Attorney Le Compté Davis's interrogation of Pearson as a "fishing expedition."

"FISHING" DECKED
"We can't spend the rest of our lives on a fishing expedition in this trial. The time to prepare your case is before the trial begins," Judge Doran told Davis.

Attorney Swaffield immediately jumped to his feet and assigned the statement as misconduct on the part of the court, and this resulted in a long argument by him, Davis, Dudley, Robinson and Ford.

The first witness called by a defendant in an attempt to impeach a previous witness appeared on the stand yesterday. W. L. Ferrill, an attorney who represented the Julian receivers last May, was called by S. C. Lewis, acting as his own attorney, to testify regarding a meeting he had in a Billmore Hotel room shortly after the Julian crash, with Fred Packard, who was Lewis's personal officer, and Pat Shup, C. C. "Red" Harris, stock transfer clerk.

Ferrill testified that Packard told him "the boys are lying up with the brokers in the coming fight," and in effect offered Ferrill an opportunity to join the boys on the wagon with them.

Judge Doran adjourned court yesterday until 3 p.m. today, and ordered the Ferrill's office to attempt to locate four brokers for whom subpoenas have been issued several days. They are C. C. Streeter, H. J. Harwood, S. H. Cheshire and A. C. Wager.

Lewis, the first of the ten defendants to put on his defense, announced last night that he can probably complete his case this week.

This morning Judge Doran will be one of the pallbearers at the funeral of Mrs. Lillian Richardson McCormick.

TRAJAN DEBATORS WIN
Clashing on the question "Resolved, that the United States should create a department of national defense with a secretary in the President's Cabinet," freshman affirmative and negative debate teams from the University of Southern California were victorious over teams from La Verne College yesterday. Jack Woodward and Ray Zeman were the affirmative debaters, while Francis Brush and Garrison Seelye completed the negative team.

Other officers elected are: Dr. Don Ross, San Francisco, second vice-president; Will Taylor, Berkeley, Calif., first vice-president; and Charles H. Morris, Los Angeles, secretary-treasurer.

CITY BOARDS LOCK HORNS ON BUTTONS

Fire Commissioners Want Street Disks Out of Way; Police Body Objects

Opposition to the request of the fire commissioners that the black metal disks placed to safeguard pedestrians boarding street cars be removed as a menace to the safety of fire department apparatus and men was expressed at the meeting of the Board of Police Commissioners yesterday, though they were disposed to comply with the request.

The fire commissioners cited a number of accidents which had been caused by fire apparatus striking the disks now in use. Several conferences have been held by police and fire commissioners and these will be continued, it was decided yesterday, in an effort to select a type of disk which will meet the requirements for safety both of the public and the fire department.

PROTEST ENTERED ON REMOVAL OF BUTTONS
K. E. P. Taggart yesterday protested to the City Council against the adoption of the fire commission's proposal for the removal of raised metal buttons from the streets. Taggart said the absence of these buttons from the streets would endanger the lives of persons waiting for street cars.

One day's grace was granted Carl Dempster, film actress, to appear in the City Traffic Court before a warrant for her arrest is issued for her arrest. Traffic officers handed the actress a tag for illegal parking on Olive street, February 23, last, according to the complaint.

LUSITANIA TRAGEDY ECHOES AS MOTHERLESS BOYS WIN AWARDS
By a "Times" Staff Correspondent
LONG BEACH, April 17.—Echoes of the grim day, May 7, 1915, when the Lusitania was sunk, with hundreds of passengers on board, was sunk by a German torpedo, with the resultant loss of hundreds of lives, were heard here today when Charles and Linden Surman, 18 and 15 years of age, respectively, who live at 1415 Alamitos street, were notified that they will be paid \$5000 each with interest from 1923 by the German government for the loss of their mother, who was a passenger on the ship.

The boys, together with their father, Henry Surman, were at Princeton, N. J., when the world was electrified by the news that

the Lusitania had gone down and had 1198 persons were lost. Besides the boys' mother, Mrs. Mabel Surman, among the victims was a young sister-in-law, Rose, who was being taken back to England for her health.

Soon after the tragedy the father left for England, leaving the boys in charge of his wife's sister, Mrs. Alice Grant, who with her husband and the boys, moved to California. Through Attorney R. A. Felt, claims were filed on the boys' behalf with the German government.

RISE IN WATER RATES OPPOSED

Mayor Indicates Intention to Veto Increase

Commission Formally Asks Council Approval

City Attorney Controversy Cries Viewpoint

The proposal of the Water and Power Commission to increase water rates 38 per cent in order to raise \$2,500,000 a year to pay all damages resulting from the collapse of St. Francis Dam met the opposition of Mayor Croyer at yesterday's conference at the City Hall.

The Mayor said that all other methods of raising the money should be exhausted before water rates are increased. He indicated that should the water-increase ordinance come to him now he would not sign it.

The only Councilman to oppose the water-rate increase was Councilman Coiden.

As a possible solution of the problem the Mayor suggested that the charter provision requiring the water department to pay all interest and sinking-fund charges on water bonds might be set aside by court order as unconstitutional and by this method the burden of carrying and retiring the water bonds, in order to meet the present emergency, could be placed on the taxpayers instead of on the water users.

CITY ATTORNEY'S VIEW
Replying to the Mayor's suggestion, City Attorney Stephens said that it was "inconceivable that the city itself would ask the courts to set aside a charter provision, approved by the people, requiring the water department to meet these bond charges out of revenues."

Stephens said that water and power bond issues had been asked of the people and authorized under the premises that the bond charges would be paid out of revenues and that to repudiate these promises would be a breach of faith with the taxpayers.

The conference on the proposed increase in water rates was held in the Council chamber at the City Hall, and was attended by the Mayor, Council, City Attorney, members of the Water and Power Commission and a rather large number of spectators.

ACTION DEFERRED
No action was taken or expected at yesterday's conference, as it was held at the request of the commission to sound out City Hall sentiment in advance of the commission's request for an increase in water rates. Indications at a result of the meeting were that though the water increase ordinance may be adopted by the Council, it will probably be vetoed by the Mayor and then adopted by the Council over the Mayor's veto.

ONLY QUICK METHOD
City Attorney Stephens in setting forth the necessity for at least a temporary increase in water rates said that it is the only certain and quick method of raising money. No legal machinery exists under State law for asking for a bond issue to pay off the St. Francis Dam collapse damages, the City Attorney said, and a tax increase or a tax on vacant lots are uncertain methods which would bring no money unless the legislature passed the last of the courts. If later on another feasible legal method can be worked out for raising the money the water rates could be reduced to the present charges.

"Los Angeles has done the big thing in the Santa Clara Valley," said City Attorney Stephens, who is in charge of rehabilitation work there. "Without delay or red tape, the city has gone in, there and gone to work, rebuilding the devastated area. The \$1,000,000 set aside for this purpose will be expended by the last of May. It will be a great blunder if the work is to go on with the work as it is now being prevented by a claim for \$10,000,000."

Water and Power Commissioner Richards in his remarks estimated that the increase in water rates will raise \$2,500,000 a year for meeting damage bills in the Santa Clara Valley. He estimated the damage at \$10,000,000 to privately owned property and \$2,000,000 to property of the city of Los Angeles. By this increase

WAR OPENS ON 'ROAD-HOGS'

Municipal Judge, Fining Man Who Holds Center of Highway, Promises Severe Penalties

Motorists who drive down the middle of the highway and refuse to give right of way to other drivers can expect a fine of no less than \$25 and perhaps a jail sentence when they appear in his court, Municipal Judge Hardy announced yesterday.

The magistrate initiated his campaign against this type of driver by imposing a \$25 fine on Charles Franklin of 3222 Vincent avenue, Eagle Rock, accused of ignoring the horns of a traffic officer to permit him to pass.

HIGHWAY BLOCKED
Policeman C. E. Dickinson reported he was driving along Colorado Boulevard when he drove up behind the machine operated by Franklin and was unable to pass. Following repeated warnings both by horn and voice, Dickinson said he forced the driver to the curb and placed him under arrest, charging him with obstructing traffic.

In traffic court Franklin protested he was ignorant that Dickinson is a law officer because he was not in uniform, but Judge Hardy ridiculed his defense and fined him \$25.

TWO OTHERS SENTENCED
Judge Hardy sentenced Charles E. Davis, 1905 Lombardy Road, Pasadena, to five days in jail for speeding fifty miles an hour on Footstom Boulevard near Garvey, a fifteen-mile zone.

Ted Kelly, 221 Spruce street, Inglewood, was sentenced to five days in jail for reckless driving, as the result of a collision on the 3rd int., with an automobile owned by Robert Brunton, 3035 Field avenue. A passenger in Brunton's car was injured. Counsel for Kelly gave notice of appeal.

THE LANCER

By Harry Carr

THE pioneer companionate marriage young lady is being symphonized in Los Angeles. To the almost unmitigated excitement of the girl reporters it is discovered that she lives at a hotel; her near-husband at the club.

If there were no other symptoms against companionate marriage, this fact alone would be absolutely fatal. Under the working of such a system, how would a man find his dress-shirt studs? That is something that Judge Lindsey didn't think about.

CAPTURED BY INDIANS
It is a pity that the whole story of Mrs. Matilda Sager was not taken down before she died in San Fernando the other day.

She was one of the few surviving white women who had suffered through the experience of being captured by hostile Indians. History is very vague as to the treatment of such. The tribes of the eastern part of the country seem to have considered women captives as prisoners of war and invariably treated them with respect. You hear a great many different kinds of stories as to plains Indians.

In one well-authenticated case, however, a white girl refused to leave her Comanche captors when "raped," married a chief and became the mother of Quinhua Parker—a great man by any standard of estimation.

SHE PASSED
After having sternly refused to permit Prince Charles Phillips, Duc de Nemours, to marry an American girl, all opposition was suddenly withdrawn—apparently. They must have had time to look up her father in Bradstreet's.

DUKES AT A BARGAIN
The duke market right now is a bear market. They sell in job lots at remnant auction prices. There are no many dukes and kings and earls hanging around Hollywood looking for a girl as extra that costs are at last value than straw hats.

K.E. COLLAPSE
It is not to be supposed that all of the "Knights" of the K.K.K. had any gaily knowledge of the outrages detailed in a recent court case. It is shown in the judicial opinion that the hooded down in blustering words by Federal Judge Thompson, but the best thing all of them can do is to burn the night and the masks with unblinded and contrite hearts.

THE GIBL STOWAWAYS
There is nothing amazing in the case of the five girls caught as stowaways on a government destroyer in the South.

As usual, the enlisted men who invited the flappers for a boat ride to New York will probably be sent to a naval prison; but what about the officers whose discipline was so lax that such an incident could have happened?

A destroyer is so cramped and crowded that one would think it would be as easy to hide a lighted street car in the middle of Broadway as a party of four or five girls on a destroyer.

There will be a navy investigation, and it ought to go not only to the guilty enlisted men, but even to the flag officers of the fleet. These ships of war cost a lot of money and the country has a right to expect that the officials in charge of them shall be on the job.

BRIDE'S SUICIDE FACES NEW QUIZ

District Attorney to Reopen
Evans Case Inquiry

City Prosecutor Tells Plans
to Take Action

Husband Released on Bond;
His History Checked

An investigation of the circumstances surrounding the death of Helen St. Clair Evans, who died of poison on June 8, last, will be conducted by the District Attorney's office, according to the announcement yesterday of City Prosecutor Lickley. Dist. Atty. Keys would make no statement on the case, however.

The inquiry will be thorough, according to the City Prosecutor, and will clear up certain angles of the death of Mrs. Evans which were placed before the authorities by A. T. Daniels of New York, father of the dead girl, who has been conducting an investigation of the married life of his daughter and the events prior to and at the time of her death.

HUSBAND RELEASED
Arthur Evans, husband of the dead woman, who was arrested last Friday at the instigation of Daniels and the City Prosecutor, was released from custody yesterday on \$1000 bail. Three charges were made against Evans, but he was held on a vagrancy warrant, pending inquiry into the suicide of his wife, and other information as to his history, which was divulged by the parents of Mrs. Evans.

Dist. Atty. Keys conferred with Mr. and Mrs. Daniels yesterday, and heard their accusations and reasons for the charges. Members of the staff of the District Attorney said yesterday that the evidence is not sufficient for taking the case before the grand jury, but indicated that the case might be reopened after a study of the information supplied by Daniels.

CHECK ON EVANS
In the meantime the wedded life of Evans has been under close check by Attorney Shaw, representing Evans, who sought information on the charge by Daniels that Evans married his daughter before obtaining a divorce from his first wife.

According to Shaw, records from New York show that Evans received an interlocutory decree on March 3, 1927, and was married a short time later. The couple then came to Hollywood and Mrs. Evans died on June 8. An inquest and coroner's verdict at that time declared that she died of poison, self-administered.

Mrs. Delaney, Settler in
Oregon, Believed to be
Last Massacre Survivor

Funeral services for Mrs. Matilda Payer Delaney, pioneer settler of Oregon, who died last Friday at the home of her daughter, Mrs. Thomas Hye, 8000 Elwood avenue, will be conducted today at 12:45 p.m. at the undertaking parlors of Ivy St. Overholser, 1719 South Flower street.

Mrs. Delaney, who was 86 years of age, had lived in Los Angeles for the last four years, coming here from Eugene, Or. Death was due to her advanced age. She was believed to be the last survivor of the Whitman massacre near Walla Walla, Wash., in 1847. At that time her two older brothers were killed by the Indians and she, with other youthful members of the party, was taken captive. Twenty-eight days later the captives were ransomed by the Hudson Bay Company factor and Mrs. Delaney, then 8 years of age, subsequently was adopted by an Oregon family.

Before coming to Southern California, Mrs. Delaney for many years conducted a hotel at Happy Camp. She was a member of the Daughters of the American Revolution.

Albert Joseph McCartney, pastor of the First Presbyterian Church of Santa Monica, officiating. Interment will be in Forest Lawn.

Mrs. Jenkinson was well known in real-estate circles in Los Angeles and Chicago, dividing her time between the two cities. She organized and managed the women's department of the L. H. Bartlett Company of Chicago and was head of the Women's Real Estate Exchange of that city. In Los Angeles she was affiliated with S. H. Woodruff and Harry Culver.

She leaves her husband, three daughters, Mrs. James Cline of Chicago, and Theodora and Catherine Jenkinson of Los Angeles, who returned from Lexington, Ky., where they have been attending school, and a son, Harry T. Jenkinson of 3609 South Hope street.

A motor, whose daily use in your home, is designed to keep you fit. It is the secret of "passive exercise"... Heretofore the thought of exercise has been one of "grin and bear" a routine of physical discomfort, or of sports which only the few could afford or find the time for. Exercise does not mean 36 holes of golf at the week-end or the so-called "daily dozen"—(now and then.) Exercise means systematic stimulation of circulation—daily.

Merely a few minutes with the Health Motor night and morning to keep you fit. For it provides the manipulative and vibratory action to stimulate the stomach, spleen, liver, kidneys, bladder, intestines and glandular centers, as well as the tissues.

WOMEN DEFINE PART IN FIESTA

Feminine Clubs Prepare to Entertain Visitors

Levee in City Hall Tower to Be Featured

Dedication Pageant Beyond Any Yet Witnessed

Los Angeles club women will meet today in the Brack Shops to make final plans for the entertainment of thousands of women guests of Los Angeles during the three-day celebration of the dedication of the new City Hall, beginning the 28th inst.

One of the features of this entertainment will be the reception in the memorial room of the city's magnificent new municipal home on the twelfth floor, some 400 feet above the street.

Mabel G. Socha, civic worker and Park Commissioner, will have charge of the party.

Present plans are for a reception and open house at the Ebell Club Thursday, with a tea in the afternoon. Mrs. William Schenck, president of the Ebell Club, will have charge of this part of the program.

On Friday, the Friday Morning Club will be the host.

CLUBS TO ENTERTAIN
The Council of Jewish Women will entertain on Thursday and Friday; the Catholic Women's Club from 10 to 4 p.m. on Friday.

Plans for the elaborate three-day celebration are rapidly shaping. It was announced by Joseph M. Schenck, chairman of the citizens' committee in charge of the event.

Mr. Schenck announced again that tomorrow will be the last day to receive entries for the parade which will feature the opening day.

Thirty-two thousand marchers, including the Army, Navy, National Guard, veterans organizations, patriotic societies, colleges and the motion-picture industry, will be in this procession, expected to be the greatest civic parade of its kind in the history of Western America.

Thirty-one bands will have places in the line of march.

FAGANT OF HISTORY
On the third and closing day of the festivities the romance of the history of California, from the days of the early Spanish padres and the founding of the city, will be the present-day, will be portrayed in a magnificent pageant planned by the Native Sons and Native Daughters of the City of Los Angeles.

Sidney Bartram Witkowski will be grand marshal and Elmer F. Engelbricht parade marshal.

This pageant will be known as the "Passing of the Flags," and will depict the various eras of government, first by Spain, then Mexico, then the independent Bear Flag State and finally the rule of the Stars and Stripes.

Police Board Bans Broadway for Paraders
A request by adherents of Gov. Smith, Democratic Presidential candidate, for permission to use Broadway for a parade today, yesterday was turned down by the Board of Police Commissioners without discussion.

President Rodney Webster of the commission appeared to echo the general sentiment when he said that no parade should be held on Broadway because of the possibility of traffic congestion.

"Let 'em parade on Figueroa street, below Ninth street, where they can get all the room they want," he said, turning down the application.

A request for the use of Broadway from Temple to Ninth on May 4 to celebrate Boy's Week, with the possibility that 10,000 public-school students would be in the parade, met with the same fate and the suggestion that Figueroa street be used.

MISS BRONSON AT WARNER'S; ARTHUR STONE'S TERM

Going abroad must have brought Betty Bronson as well as the film good luck, for that young and clever actress has been busy ever since she returned from Europe a few weeks ago.

First, Metro-Goldwyn-Mayer sought her services in one of the leading roles of "The Bellamy Trial."

Now word reaches us that Warner Bros. have sent for Miss Bronson to star in two pictures.

At present the Warners and Darryl Zanuck are searching for a suitable story in which to place Betty's talents, with a number of stories under consideration. There is every likelihood that Vitaphone will accompany her work.

As will be remembered, Miss Bronson made her first sensational hit by her playing of the queen in the musical story in which she appeared in a number of Paramount pictures.

Arthur Stone With Fox
Arthur Stone, the comedian, who has been tickling us in First National pictures, and who lately has been appearing in a Fox picture, "Chicken a la King," is to be retained by the studio, according to an announcement yesterday.

It is a young comedian formerly of musical comedy and vaudeville who has been signed on a three-year contract, for he is not yet known what his first will be, but his stories are now being considered for him.

Leather Head's New Paramount
Leather Head's hat again hangs on its familiar peg in his office at the Paramount studio and his owner once more is busy turning long strips of celluloid into motion pictures.

Having a new picture, Read has come back to the Leaky studio and assigned to him a job of directing Father Rabbit's new starring picture, "A Wad of Cash."

Griffith's Lead
Don Alvarado will act again for David Wark Griffith. The handsome young actor has been secured by the United Artists company for the leading role in "The Battle of the Sexes," which Griffith is making now.

George Jensen's First
Having just come back from New York and his tour in "The Singing Fool," George Jensen is busy as the proverbial bird dog, getting ready for his first picture, "The Singing Fool."

Monday, under the direction of Norman Taurog, but so far has no leading woman.

Refresh himself by a trip to Lake Arrowhead, where he will spend the week-end.

Fatsy Ruth Miller Back
Meeting with her first accident on her trip across the country and to Europe, Fatsy Ruth Miller's return from her journey was delayed one day. She came home yesterday instead of on Monday, as had been expected. The delay was occasioned by the fact that the taxi in which she was riding in Chicago while transferring the actress from one railway station to another, met in a violent collision with a truck. Her taxi driver was very seriously injured, but Fatsy herself escaped without injury save for a sharp shaking up.

Miss Miller will start almost at once on the much-talked-of marriage of the company on the companionate marriage theme, "Marriage of Tomorrow."

New Goldenwyn Star Arrives
We are quite ready to agree with Samuel Goldenwyn that Byron is a much more romantic sounding name than Butler. So we join in congratulating Walter Butler on his christening here yesterday, on his arrival from far-off England, with the pleasant sounding name of Walter Byron.

Sam Goldenwyn had already won the young actor's consent via wire, so it was no shock to Byron to find that all arrangements for dressing rooms and hotel rooms had been made for him in that name.

The young English player was met at the station by Ronald Colman, his old friend, who had introduced him to Goldenwyn.

And now Verna Banky may start work as soon as she likes on "The Innocent," since Byron is to be her leading man.

Boyd and Hale Traveling
William Boyd and Alan Hale, who have become cinematic buddies in their comedy relationships, are traveling in Northern California just at this writing, on a brief vacation between picture shoots.

The two left Santa Cruz yesterday for San Francisco, where they will witness the

"SEX" LOOMS ON HORIZON

Reports are current that "Sex" will be presented at the Majestic sometime in May. This is the play by Mae West which was closed in New York about the same time "The Captive" came in for official disapproval. The producer of "Sex" bought the closing order issued by the censor and eventually, with the author and cast members, was arrested.

In view of the furore aroused in Los Angeles recently by the production of "The Captive," the arrival of "Sex" is anticipated with interest.

premiere of "Skyscraper," their initial comedy together.

When the pair return they will start work almost at once on the Paule-De Mille production, "Manpower."

Changes Name Again
Kathryn Landy is having a regular orgy of name changing. She used to be Kathryn McGuire, you know. Then she married George Landy, and took his name for the screen. Then several thousand film fans have been writing in to First National studios to find out about the matter, and so she will become Kathryn McGuire once more.

INNOCENCE PLEA MADE IN ASSAULT

Motion-Picture Director Loses Prior Jeopardy Motion in Court

William Nigh, Hollywood motion-picture director, yesterday pleaded innocence to a charge of assault with a deadly weapon upon Edward Usher, Jr., when taken before Superior Judge Craig for trial.

The same time high enough to have the charge dismissed upon grounds that he already had been placed once in jeopardy by reason of his pleading guilty to a charge of simple assault and paying a \$100 fine in the Justice Court of El Monte.

Judge Craig dismissed the motion picture director's plea of innocence, charged with assault with intent to commit murder as a result of the same fight with Usher, which is asserted to have been precipitated over the affections of Jean Jarvis.

Bert Trowbridge, Nigh's chauffeur, is charged with assault with intent to commit murder as a result of the same fight with Usher, which is asserted to have been precipitated over the affections of Jean Jarvis.

Clare Woodhouse appeared as attorney for Nigh.

Children's Shoes and Hats Are Sturdy and Simple

By Florence G. Gable

There is nothing like getting a good start in life and being on sure footing. The present mode for sensible and attractive shoes for children must have had that meaning in mind. The present type of shoes do not bind the foot. The last is scientifically built to shape the foot in the way it should go. For Joan's everyday wear Nancy chose sturdy brown oxfords. For dress-up occasions she purchased the "classic" and well-loved black patent leather pump with one strap. Joan adored these shoes and wanted to wear them all the time.

Simplicity in hats is just as important as simplicity in shoes. The French beret is always in good taste. It comes in colors, as well as black. Surely no little girl who has been brought up on berets could ever want those funny, flimsy hats trimmed with small curled ostrich plumes.

For dress-up wear the correctly dressed child will choose a large leghorn hat with gros-grain ribbon used as band and as fastening streamers.

Berets and sturdy oxfords, leghorns and patent leather pumps—these you have two correct choices for the correctly dressed child.

There are other things to child care besides clothes. Write to Nancy Page, care of this paper, enclosing a stamped self-addressed envelope, asking for her leaflet on Child Care.

"Well, I could a-gone to the doctor for my nerves, couldn't I?"

CHUCKLES from LIFE

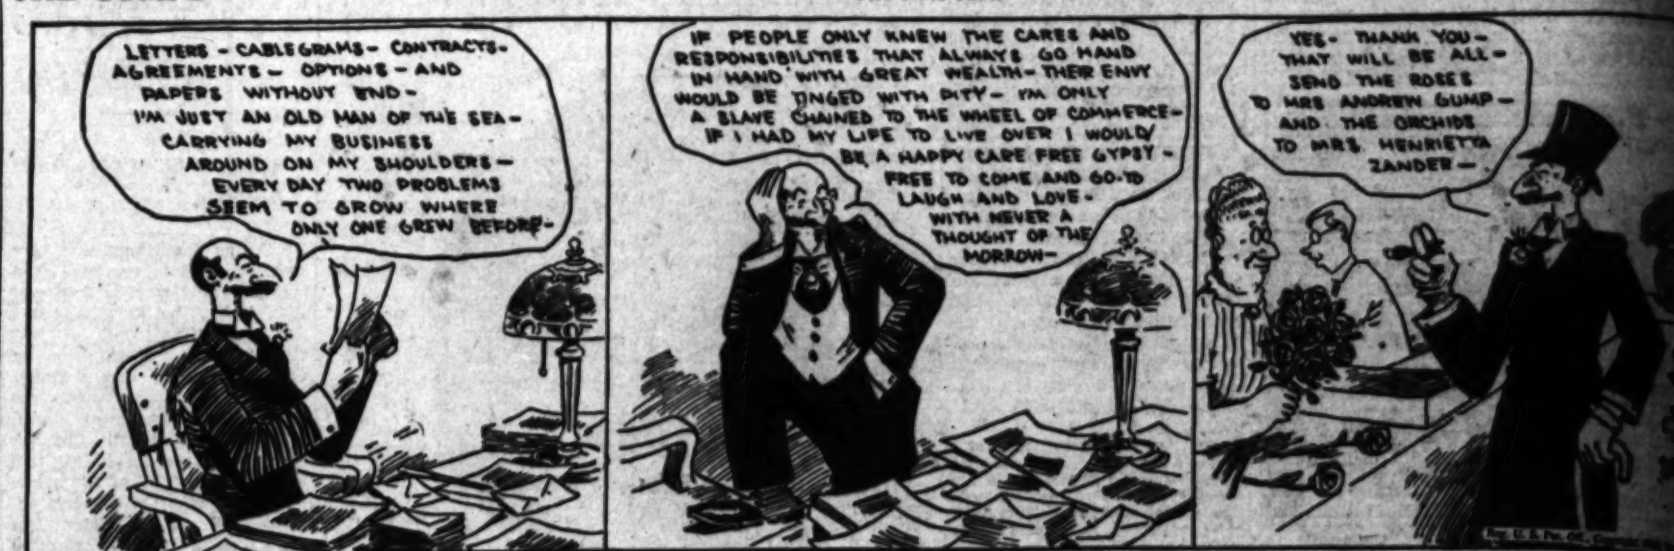

A Grammatical Kiss
A kiss is always a pronoun, because "she" stands for it. It is masculine and feminine gender mixed; therefore, common. It is a conjunction because it connects.
It is an interjection; at least, it sounds like one.
It is plural because one calls for another.
It is singular because there is nothing else like it.
It is usually in opposition with a career; at any rate, it is sure to follow.
A kiss can be conjugated, but never declined.
It is a preposition because it governs an objective "case."

However, it is not an adverb, because it cannot be compared, but it is a phrase that expresses feeling.

Flowers, Tastes, Etc.
Think (sadly): Well, Hattie has broken our engagement. I guess I'm done for.
Blah!: For just how much?
